

TMRC-related TMAG Journal submission

Papers must be submitted before July 26th through the [IEEE AUTHOR PORTAL](#) website. The suggested lengths for contributed (posters) and invited papers are five pages and seven pages, respectively. The maximum paper length allowed by the journal is fourteen pages.

1. After clicking on the **IEEE AUTHOR PORTAL**, the Sign In window will appear. The authors have to login using their own account. The author can create an IEEE account in case the account has never been created.

3. Start a new submission with selecting the “**Article Type**” by clicking at the Article Type button as shown in below window.

Start a new submission

The step listing on the right will guide you through the submission steps.

You cannot jump ahead or skip steps.

You may review or revise any previously completed steps before completing your submission.

The editorial office won't see your submission until you complete the **Final Review** step.

IEEE takes the protection of intellectual property seriously. Accordingly, all submissions are filtered by CrossCheck, a powerful plagiarism detection software system. By submitting your work you agree to allow IEEE to screen your work. When plagiarism is detected, penalties can be severe and may include strict banning from publishing in all IEEE titles. Please consult <http://www.ieee.org/documents/opsmanual.pdf> Section 8.2.4. to read about IEEE plagiarism policies. For more information please visit: <http://www.crossref.org/crosscheck/index.html>

4. There is possible various article types related the conferences. The author can click at drop-down button, and then select “**TMRC 2026**”

Article Type

What kind of manuscript are you submitting?

Article Type

INTERMAG 2026

CEFC 2026

TMRC 2026

5. The list of confirmation items will be appeared; the authors have to complete them before clicking at the “**Confirm**” button.

☐ I confirm that my manuscript does not contain the Lena image. IEEE's [diversity statement](#) and supporting policies such as the IEEE [Code of Ethics](#) speak to IEEE's commitment to promoting an inclusive and equitable culture that welcomes all. In alignment with this culture and with respect to the wishes of the subject of the image, Lena Forsén, IEEE will no longer accept submitted papers which include the 'Lena image'.

☐ I confirm that all authors listed on the manuscript meet the IEEE authorship requirements. IEEE considers individuals who meet **all** of the following criteria to be authors:

- a. Made a significant intellectual contribution to the theoretical development, system or experimental design, prototype development, and/or the analysis and interpretation of data associated with the work contained in the article;
- b. Contributed to drafting the article or reviewing and/or revising it for intellectual content;
- c. Approved the final version of the article as accepted for publication, including references.
